EDWART EVERNETT.

I vol. 12mo., cloth, #1 25.

This work is associated with an event of a peculiar national character—the acquisition of the Mount Vernon Estate—and has in that respect a very general interest, which the choice of subjects, and the treatment greatly enhance. Mount Vernon itself, The History of Christmas; The History of Frankina's House; The Conset: Some Circumstances of Washington's rivate Life; Louis Napoleon; Sir water Society; A Journey in Europe; Raisin Nattensiny; Prescott, Hallam, Homboldt, are among the things treated of. Mr. Everett is noted among American writers for the purity and elegance of his style, as well as for his extensive scholarly attainments—a repute which this work will admirably meintain.

nirably meintain.

Aside from the excellence and value of the work itself, the publishers believe that a book by a gentleman so distinguished a the political history of the country must be an interesting addition to American Literature. PURE MEDICINAL YEAST.

Manufactured from common Salt and Pure Cream
Testar. When used in Bread, Cake, or Biscutt,
it turns to gas (like that from a bottle of Soda
Waver), and remains dormant in the dough until it
is set in the oven, when the heat causes the gas to
escape through the dough whi e baking. The Bread,
Cake or Biscutt is not only very light, but perfectly
who lesome. Where this Yeast is used you will
require about one quater the amount of shortening
used with ordinary Yeast. It may also be used for
Buckwheat Cakes, Johnny Cakes, and all kinds of
Pastry. This Yeast is put up only in one pound
cans with checked label. Red, Watte and Blue—
so other is Genume—beware of imitations.
